Goodwin Parent Pick up Procedure 2014-2015

1. Parents/Guardians will enter the front secure door of Goodwin.
 - a. Prior to 3:35, parents will be admitted into the vestibule only. Our students are still in classes at 3:30.
 - b. If someone, needs to come into the office at that time, please allow for them to come in but all parents for pick-up please stay in the vestibule. **Do not open the door for anyone else.** While it will feel rude in the beginning, once everyone knows we are keeping our students safe and this is why we have a double door, it will become routine. At 3:35, parents will be allowed to enter the building.
2. Parents/Guardians will stop at the table manned by a staff member and sign out all students they are picking up on that day.
 - a. Please know that **ONLY** people that have been listed by the parent are able to pick up their child.
 - b. As you know, we already know most parents and guardians at pick-up time but there are occasions when someone else is going to pick up your child. (Neighbor, grandparent, aunt, older sibling home from college, etc.) Please know if you are unfamiliar to us, we will require a copy of your picture ID for future reference. We will ask you to go to the office for the ID copy and then we will assure that we are releasing your child to the proper person. This will require more time the first time.
3. At the table, you will be given a grey ticket for each child you are picking up. (i.e. If you are picking up three children, you will have three tickets.)
4. You will then go through the gym doors and begin lining up at the doors opposite where you came in. The line will be go in front of the stage for parents.
5. Your children will enter the gym and find you. They will have their own colored tickets.

6. Once you have your children, you will exit the gym through the doors leading to the music/art wing where you will drop your tickets into a basket held by another staff member.
 - a. If you have three grey tickets, then each of your children will drop in their one colored ticket.
7. You will continue through the short hall to exit the building through the one door only.
 - a. If your child has forgotten something, only the student will be allowed to go back for their item.

Mansfield School Libraries
Birthday Book Buddies

2014

Birthdays are always special to a child. What better way to celebrate the special occasion than donate a book to your library in honor of the birthday child and arrange for a small gift for your students in your child's classroom? Instead of the entire focus of a child's birthday being on sugar-filled cupcakes, the "Birthday Book Buddies" program gives you the chance to make a lasting gift to your school library in a child's name. Children with summer birthdays may choose to celebrate on their half-birthday.

For a donation of \$15, participants may choose a hardcover book from a selection of newly ordered books. We will place a bookplate commemorating the child's birthday and acknowledging the donor inside the book. In addition, the birthday boy/girl will have their picture taken with their book and displayed in the school. They will also be given the opportunity to be the first to borrow the book.

In honor of this special day, your child's classroom will be treated to a small gift basket from an assortment of items. Gifts might include cool bookmarks, unique erasers, special pens, unusual pencils, fun notepads, or other small items and will vary throughout the year.

Are you a *Birthday Book Buddy*? Support your school library, encourage healthy eating habits, and celebrate a special day all in one program. Last year we had great participation in this program—let's see if we can have even more *Birthday Book Buddies* than we had during the last school year

Contact your school library staff to make arrangements to participate in this program (please make checks payable to the Mansfield Public Schools) or email Mrs. Emily Tinnel (Shared Librarian) TinnelEW@MansfieldCT.org
